

Party & Play, in a Safe Way

laughing gas

Nitrous Oxide, NOS, Balloons

We advise you not to use, but if you do:

- Avoid using too often
- Use with friends in a safe place
- Never wear a face mask or bag over your head, you could suffocate
- Avoid inhaling directly from the canister as you could get frostbite
- Don't drive or swim following use
- Danger is increased if you have heart or blood pressure problems
